Summary

 Full-Stack Web Developer in the Denver Metro area leveraging a background in Mercedes-Benz service to create beautiful experiences on the web. Earned a certificate of completion in Full-Stack Web Development from the University of Denver. Highly-skilled in React.js, Javascript, Node.js, and responsive web design. Known for creating modern, user-centric apps and passion to learn. With every project, my goal is to provide a product worthy of being used by many. I applied my knowledge of the luxury automotive industry and web development to create a web app capable of showing a user the true cost of purchasing a new luxury vehicle, beyond starting prices and monthly payments. I am thrilled to enter the workforce as a web developer and build amazing experiences for my clients.

Experience

AUTOMOTIVE SERVICE ADVISOR, MERCEDES-BENZ; LITTLETON, CO – JUNE 2018 - MARCH 2020 AUTOMOTIVE SERVICE ADVISOR, MERCEDES-BENZ; ESCONDIDO, CA – FEBRUARY 2017- JUNE 2018

   As a Service Advisor, I was a key player for promoting luxury automotive services and repairs by identifying the need for and selling service work, while maintaining a high degree of client satisfaction. I was a strong representative of the Mercedes-Benz brand and implemented all processes and procedures in order to provide the best for our clients. Built relationships with clients, generating returned business. Awarded Employee of the Month.

SHIFT LEADER, STARBUCKS; NORCO, CA – 2013-2017

   As a Starbucks Shift Leader, I assisted the store manager in executing store operations during scheduled shifts. I deployed partners and delegated tasks to create the Starbucks Experience for our customers by providing legendary customer service with prompt service, quality beverages and products, and maintaining a clean and comfortable store environment. I helped the store achieve all passing grades during surprise quality assurance checks from Starbucks Corporate and regularly worked with the district manager to ensure the store was running in top shape. Awarded Employee of the Month numerous times
